WHAT AN APARTMENT! JMS are pleased to bring to the market this spacious and modern apartment, situated within a 1-minute walk of the tram stop.

The apartment comes with an allocated parking space, secured entry to the building and an en-suite to the main bedroom.

Situated on the second floor within a small block, you enter the apartment into the entrance hallway, which leads to all rooms.

Directly in front is the second double bedroom, with the master bedroom situated to the right. Both bedrooms are of a good size, with the master also providing an en-suite bathroom with shower, toilet and sink.

The living space is of a great layout, with the lounge area to the right and kitchen/dining space to the left. The kitchen provides an integrated oven and hob, free standing extractor, and space for a washing machine, dishwasher and full height fridge/freezer.

What's more, there is also ample space for a table, making this area a sociable and relaxed space for a young couple or small family. Double doors leading out to a juliette balcony also provide this space with that much sought after outdoor feel that flats need.

The bathroom offers a bath, along with toilet and sink, and is also situated off the entrance hallway.

There is further storage accessible via a door in the hallway, ideal for those everyday items such as hoovers etc.

Viewing strongly advised. Call JMS today to book an appointment before it is too late!
