A sleek and stylish contemporary apartment with a view, this one bedroom with space and natural light in abundance is a perfect place to live for those looking for an easy on the eye modern place to live with a wealth of convenience with a bus route right outside the front entrance doors.

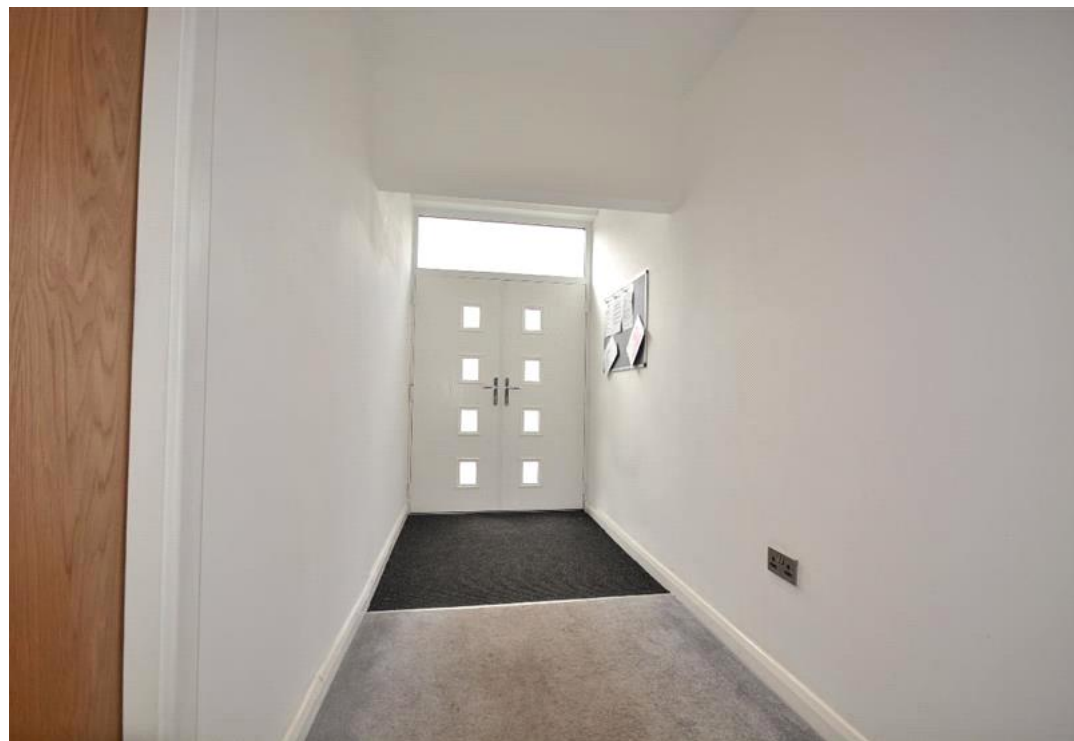

The accommodation is located on the top floor of this pleasant apartment block with an initial entrance hall within the flat itself that provides access between a substantial open plan living kitchen fitted with a high gloss range of units and French doors opening onto the balcony. There is a dual aspect double bedroom with a further set of French doors that opens onto a Juliette balcony with pleasant views down over the water.

We highly recommend an early inspection to really take in what this apartment has to offer as we expect it to be extremely popular and for it to not hang around for long.
