- Semi Detached House
- Popular Residential Location
- Viewing Essential
- Brand New Flooring Throughout
- Two Bedrooms
- Neutral Decor Throughout

A convenient & well-presented two bedroom semi detached house which has recently benefited from tasteful modern improvements with new flooring, neutral décor throughout in this well proportioned yet cosy home which truly is a perfect place to move in and enjoy this charming home. Not only is this property neat and tidy both inside and out and also comes located in a lovely quiet residential spot with easy transport access into both Hucknall and Nottingham.

The accommodation comprises an entrance hall with substantial storage cupboard, neutral kitchen and a lounge with bay window facing the rear elevation. To the first-floor landing there are two bedrooms including a substantial double and a family bathroom.

Externally, there is a shared access driveway running between this and the neighbouring property which provides access to the garage to the rear of the property. To the rear garden there is a low maintenance artificial lawned area, secure fencing to one side and an opening in front of the garage which is versatile as could be utilised as extra garden space or off-road parking.

An early viewing is highly advised to avoid the disappointment of missing out on this conveniently placed little gem of a property which we will assume will subject to high levels of interest when this property hits the ever busy rental market.

| Energy Efficiency Rating                    |   | Current                 | Potential |
|---|---|-------------------------|-----------|
| Very energy efficient - lower running costs |   |                         |           |
| (92-100)                                    | A |                         | 90        |
| (81-91)                                     | B |                         |           |
| (69-80)                                     | C |                         |           |
| (55-68)                                     | D | 71                      |           |
| (39-54)                                     | E |                         |           |
| (21-38)                                     | F |                         |           |
| (1-20)                                      | G |                         |           |
| Not energy efficient - higher running costs |   |                         |           |
| <b>England &amp; Wales</b>                  |   | EU Directive 2002/91/EC |           |

The energy efficiency rating is a measure of the overall efficiency of a home. The higher the rating the more energy efficient the home is and the lower the fuel bills will be.
