Applicants must normally be aged 55 or over, have Hucknall as their usual place of residence or have a close family connection to Hucknall, and be assessed as suitable for extra care accommodation.

This may include individuals requiring some assistance with everyday living or personal care, or those who remain largely independent but would benefit from a safer and more supportive living environment.

Applicants must also satisfy the scheme's residency, housing need and application assessment requirements. Exceptional circumstances may be considered for applicants below the normal minimum age.

All applications are subject to assessment and approval by the housing provider.

Apartment Rent: £227.00 per week
